

Georgia's State Water Plan

Upper Flint Regional Water Council

WORKSHOP FOR REGIONAL WATER SYSTEMS

Agenda

March 28, 2019

Flint Energies, Reynolds, GA

Workshop Objectives:

- 1) Build connections between Council members, local government officials, and public water system managers
- 2) Learn about the regional water plan and how it relates to public water systems and local governments
- 3) Provide input to support future regional water planning
- 4) Discuss drought management strategies and related state requirements for public water systems
